アンネの日記を書いた Anne Frank (アンネ・フランク) についての英文を聞き、1 から 6 の質問に対する答えとして最も適切なものを選びなさい。なお、英文は約 30 秒後に続けて二回放送されます。その間に質問に目を通しなさい。では、始めます。

Over one million children died in Nazi concentration camps during World War II. Anne Frank was one of them.

Anne Frank was a German-Jewish teenager born on June 12, 1929. Her family moved to Amsterdam, Netherlands in 1933 after Adolf Hitler became a Nazi leader of Germany. On June 12, 1942, Anne received a small red-and-white diary for her 13th birthday. She called her new diary "Kitty" and wrote in it every day. Anne's diary became her best friend during World War II. On July 6, 1942, Anne's family and four friends went into hiding from the Nazis. They stayed in small rooms above her father's office in Amsterdam. They stayed there for 25 months. Everything about their lives became a secret.

But they were found by the Nazis and arrested. They were taken to Nazi concentration camps. In March of 1945, nine months after she was arrested, Anne Frank died of sickness. She was 15 years old. Only Anne's father survived.

After the war, Anne's father found his daughter's diary. In 1947, he made a book about the diary. He wanted many people to know about Anne's life. Since then, the diary has been published in 55 languages. More than 24 million copies have been sold. In English, the book is called The Diary of Anne Frank.
